

Navigate your apprenticeship with **ALASKA529**

Alaska 529 is a tax advantaged education savings plan that makes it easy to save for apprenticeships and qualified education expenses. **Here's how it works.**

Open an account with as little as **\$25**. And when you open a new Alaska 529 account you could be eligible to receive a **\$250 Dash to Save™** incentive program contribution.*

You create and control an account on behalf of yourself or your beneficiary (future student). There is no annual account fee.

Make contributions to your account with after-tax dollars.

Any earnings you accrue are tax-deferred while invested and tax-free when used for qualified expenses.

You can use your savings to pay for qualified fees, books, supplies, and equipment needed for apprenticeship on-the-job training with classroom instruction.

To qualify, all apprenticeships must be registered with the U.S. Department of Labor.
