

# WIC WEEK *Alaska*

## EXPLORING CONSTRUCTION CAREER PATHWAYS

It's National Women in Construction (WIC)  
Week March 5-11th!

Are you interested in a career in construction,  
oil & gas, maritime, or mining? Do you  
currently work in construction and want to  
transition to a new position or pursue  
continuing education?

Come to Alaska Safety Alliance March 10th  
and explore the many pathways to get the  
education and training you need, right here  
in Alaska! If you're looking for work, bring your  
resume.
